

**2019 is just around the corner!**

**It's time to renew your SGS membership.**

Your Saskatchewan Genealogical Society membership expires December 31, 2018. We've included a membership form for your renewal. But don't forget you can also renew online at <http://www.saskgenealogy.com/index.php/membership-fees/>. We accept Visa, Mastercard, cash or cheque.

You'll notice there are some changes to the membership structure, fees and benefits for 2019. These include:

- **A simplified membership classification** which gives **ALL** members **FULL** access to the SGS online databases and remote access to subscription databases, with the exception of Ancestry, which remains available to members in the SGS Library/Research Room and through SGS Branches only. No more Value-Added and Basic memberships. Don't forget to sign up/sign in for full member access.
- **One membership fee** of \$70 per calendar year (Jan.-Dec.). No tax receipt will be issued as per Canada Revenue Agency guidelines. ½ year memberships are \$40.
- **A Youth membership** is \$35/year for members 21 years of age and under.
- **Lifetime memberships** will continue to be available at a cost of \$1,000.
- **Institutional membership – Subscription** – is \$55/year.
- **Institutional membership – Full Access** is \$250/year. This membership would include full access for up to 5 staff members in a single work place, no public access. Signed agreements are required.
- **Join a Branch** – you can now join/support one of our 14 branches when you renew your SGS membership for 2019. You must be an SGS member to join a Branch. 2019 Branch fees are listed on the website at <http://www.saskgenealogy.com/index.php/membership-fees/>
- **Additional Member Benefit in 2019 - DNA Bootcamp** – will be available to SGS members on the SGS website January 1, 2019. *Member login will be required to access the webinars and corresponding handouts. (Please note that our agreement states these webinars are not for broadcast or commercial use – members only.)*

DNA expert Mary Eberle of DNA Hunters, LLC and Thomas MacEntee produced a series of DNA webinars. DNA Bootcamp includes 12 genealogy webinars that cover the following topics.

- Getting Started with DNA and Genealogy
- Additional DNA Tools and Concepts
- Interpreting Your Ancestry DNA Results
- Interpreting Your FTDNA and 23andMe Results
- Solving Family Mysteries with DNA
- Finding Birth Families Using DNA

Each topic consists of two 90 minute pre-recorded webinar videos.

**Renew now and help us celebrate the 50<sup>th</sup> Anniversary of the Saskatchewan Genealogical Society in 2019!**
